(+ Trios Hess47 & op. 63)  
Cedille CRD90000118 [review]

### **Notes**

It is not possible to list all re-issues of certain recordings by high profile artists, eg Stern, Beaux Arts

Only those arrangements/transcriptions generally accepted to be by Beethoven himself of his own works are included here.

Indications of "Complete Trios" or similar are based on the release's title, not necessarily actual completeness.
