

The Piano Trio Repertoire
Discography & Review Index: Franz Joseph Haydn
Prepared by David Barker

Project Index

Notes

1. Only versions for keyboard, violin and cello are included here.
2. Trios 8 (Hob. XIV/33) & 9 (Hob. XIV/D1) are lost, but are still included in the numbering system.
3. Certain recordings, including the Phoenix complete set 161 and some of the Naxos releases, do not use the standard numbering system, instead opting to number the trio on the basis of the Hoboken number. I have not used "their" numbering in this discography.
