

**The Piano Trio Repertoire**  
**Discography & Review Index: Felix Mendelssohn (1809-1847, Germany)**  
Prepared by David Barker

**Project Index**

**Notes**

1. Arrangements of the C minor trio originally scored for violin, viola and piano are not included.
2. There are numerous reissues of recordings by ensembles including Cortot, Oistrakh, Heifetz and other famous performers on both mainstream and short-lived budget labels. I have not attempted to include them all.
